**YORKSHIRE WOLDS WAY**

NATIONAL TRAIL

# Climb a steep hill and find a sculpture at Wintringham

*This is one of the steepest parts of the trail but the climb is well worth it for panoramic views of the North York Moors and across the Vale of Pickering.*

The short version of this walk is there and back for 1.8 miles. Directions are also given for a full days walking of:

- 4 At the top head through the gate and stop to admire the WANDER art feature "Enclosure Rites".
- 5 Either retrace your steps from here, or continue along the path on the earthwork.
- 6 Turn right at the end of the earthwork and pass the Yorkshire Wolds Way Caravan and Campsite.
- 7 Turn left on the path down to the woods. At the woods turn right, again on the Yorkshire Wolds Way.
