Fun for the Family

If a full days walking doesn't suit, why not take out our Tracker Packs from the National Trust Centres at Robin Hoods Bay or Ravenscar. Free to hire, these contains lots of fun activities and games to enjoy on a short walk using part of the trail.

Getting Here

Ideally use public transport to get to the Cleveland Way. There are trains to York, Middlesbrough, Whitby, Scarborough and Filey and bus connections to the start at Helmsley. A Journey Planner is available through the Cleveland Way website to help you plan your visit.

A Walk for Everyone

Whilst some parts of the Cleveland Way are strenuous, there are sections without barriers that are accessible to everyone. You can download maps and directions for each of these from the Cleveland Way website.

A Great Place to Stay

There is a wide range of accommodation and some great pubs and cafes along the Way that will provide you with that great Yorkshire Hospitality! Full details are available in our popular Accommodation and Information Guide, which you can download from the website.

"Just walked the Cleveland Way. 110 miles of stunning scenery, sore feet, chatting to loads of people, visiting pubs and eating great breakfasts in B&Bs. First time I've tried anything like this. Best thing I've ever done." **PHIL RUTTER**
